## **Safety Committee**

### **Mission Statement**

The Lakeridge Safety Committee is committed to providing a safe and healthy environment for everyone to live, work, and play. We further recognize an obligation to demonstrate safety, health, and environmental leadership by maintaining the highest standards and serving as an example to our residents, employees, and visitors as well as the community at large.

The Lakeridge Safety Committee will strive to continuously improve our safety, health, and environmental performance by adhering to the following objectives:

- developing and improving programs and procedures to assure compliance with all applicable laws and regulations
- ensuring that personnel are properly trained and provided with appropriate safety and emergency equipment
- taking appropriate action to correct hazards or conditions that endanger health, safety, or the environment of the community
- considering safety and environmental factors in all operating decisions
- communicating our desire to continuously improve our performance and fostering the expectation that every employee, resident, and contractor on Lakeridge premises will follow this policy and report any environmental, health, or safety concern to Lakeridge management.
- monitoring our progress through periodic evaluations
- ensure the enforcement of the Rules and Regulations as they relate to health and safety issues.
